Minutes of the 2nd meeting of IQAC held on 4th October 2023

Welcome address was given by Principal Dr. D.S. Badwaik. Thereafter Dr. Smeeta Wanjarri IQAC Coordinator read out the minutes of the previous meeting and confirmed the agenda.

Subsequently the following points were discussed as per agenda conveyed in the meeting.

2. Review of syllabus completion of the odd semester.

A review of syllabus completion for the odd semester was conducted, assessing progress across all courses. It showed that most courses are on track, with a few lagging behind. Faculty members received specific instructions to expedite the remaining portions to align with the planned schedule. This ensures that all learning objectives will be met timely and efficiently.

3. Organization of international conference and sending the proposal for financial aid at the different financial agencies.

As per suggestion of Dr. Smeeta Wanjarri, in order to focus on fostering global academic collaborations this year the college must organize an International Conference. Dr. D.S. Badwaik Principal said that a proposal for financial aid has been meticulously prepared and sent to various funding agencies which is also recommended by the IQAC coordinator. This strategic approach aims to secure the necessary resources to ensure the event's success. The suggestion was accepted by all.

4. Preparation of scheduled AAA

The principal announced the upcoming Academic and Administrative Audit of the institution, emphasizing its significance in maintaining and enhancing institutional standards. Every department was instructed to take necessary steps to prepare thoroughly, ensuring compliance with all audit requirements. This includes organizing documentation, assessing current practices, and implementing any needed improvements. The collective effort will contribute to a successful and seamless audit process.

5. Roster upgradation for aided and non-aided teaching faculties.

With permission of chair Dr. Suresh Puppalwar said that student teacher ratio is changing significantly due to retirement of many teaching staff. Therefore, there is a need of appointment of new faculties. The suggestion was well taken up by the management representative Adv. Abhijit Wanjarri and addressed the need for roster upgradation for both aided and non-aided teaching faculties, highlighting its importance in maintaining equitable and organized faculty records. Additionally, the principal Dr. D.S. Badwaik announced the upcoming appointments of new faculties to strengthen the academic team.

These steps are vital to ensuring a balanced and effective teaching workforce, thereby enhancing the overall educational environment of the institution.

6. Roster upgradation for non-teaching staff.

To enhance organizational clarity and operational effectiveness within the institution, the management representative advised the principal to focus on roster upgradation for non-teaching staff to streamline and improve the efficiency of administrative operations.

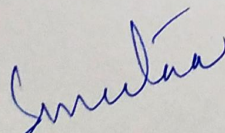

7. Planning of cultural event shardaotsav

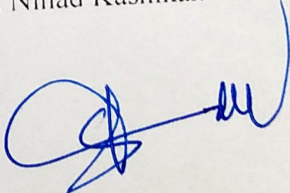

Principal Dr. D.S. Badwaik further said that the college is set to organize Shardaotsav, a vibrant traditional event celebrating cultural heritage and community spirit. This festival will feature a range of activities including performances, exhibitions, and traditional rituals. He further added that the participation from students is encouraged to make the event a memorable and enriching experience for all.

8. Planning of Kalaavishkar and business Expo for students.

A discussion about organising "Kalavishkar" an enriching cultural program that empowers students to showcase their artistic and creative talent and an industrial expo for promoting entrepreneurship skills. The proposal was well appreciated by Mr. Tushar Padgilwar, External Industry Expert. He further added that organizing an industrial expo at the college level is crucial as it provides students with direct exposure to industry trends and innovations. Also helps in bridging the gap between academic learning and real-world applications. It offers valuable networking opportunities with industry professionals, enhancing students' career prospects. Additionally, such events inspire and motivate students by showcasing potential career paths and entrepreneurial possibilities. All the members present unanimously expressed their consent for the same.

The IQAC meeting was ended up by proposing vote of thanks by Dr. Ninad Kashikar.
