# Best Practice-II- Promoting Academic Excellence to Enriched Knowledge through skill-based certificate course

- Skill based certificate courses were student driven initiative for all branches for improving specific subject related skills of students more efficiently and effectively.
- Total 65 skill based certificate courses were conducted in last five sessions by various Departments of KNM, total expenditure for this was 8,55,526/- and total beneficiaries were 3973.
- The syllabi of different programs are usually not at par with the expected industry expectations.
- Hence to upskill the students, these courses are conducted throughout the year.
- The syllabus was designed in consultation with the industry experts and later on the proposal for conducting the courses was sent to the **RTM Nagpur University** for approval.
- After getting the approvals the respective departments commenced the course delivery. Most of these courses were sanctioned by **Department of Lifelong Learning and Extension, RTM Nagpur University, Nagpur**. For the skill-based certificate courses, KNM experts, invited experts and consultants from the industry were arranged for training, guest lectures and workshops to understand and overcome the current industrial issues and create awareness about new technologies and best problem-solving practices.
- At the end, assessment test was taken and results clearly indicated that students have cleared the tests and gained expected knowledge. Students received certificates from **Department of Lifelong Learning and Extension, RTM Nagpur University**.

# Glimpses of skill-based certificate courses

# Session 2023-24

Following are details of various **Skill based certificate courses** conducted by different Departments during session 2023-24

| . S.N. | Name of Department                | Title of Certificate Course  | Duration | No. of participants | Expenditure (Rs.) |
|--------|-----------------------------------|--|----------|---------------------|-------------------|
| 1.     | Chemistry                         | Instrumental Methods of Analysis   | 30 Hours | 60                  | 12000/-           |
| 2.     | Mathematics                       | Certificate course in Quantitative Aptitude  | 45 Hours | 83                  | 8300/-            |
| 3.     | Electronics                       | Electronics Equipment  | 59 Hours | 43                  | 4300/-            |
| 4.     | Department of Cosmetic Technology | Certificate course in 'Beautification'   | 58 Hours | 42                  | 12,600/-          |
| 5.     | Botany                            | Nursery Techniques with Special Reference to Floriculture                                    | 60 Hours | 60                  | 13,500/-          |
| 6.     | Biotechnology                     | Biofertilizer formulation from agricultural waste and crop improvement through Biotechnology | 59 Hours | 79                  | 41,148/-          |
| 7.     | Microbiology                      | Cookery and food preservation  | 60 Hours | 50                  | 10,000/-          |
| 8.     | Environmental Science             | Agricultural Waste Management  | 59 Hours | 50                  | 15000/-           |
| 9.     | Physics                           | Domestic Appliances  | 30 Hours | 40                  | 8000/-            |
|        |                                   |  | Total =  | 507                 | 1,24,848/-        |

# Session 2022-23

Following are details of various Skill based certificate courses conducted by different Departments during Session 2022-23

| S.N. | Name of Department                | Title of Certificate Course  | Duration | No. of participants | Expenditure (Rs.) |
|------|-----------------------------------|--|----------|---------------------|-------------------|
| 1.   | MBA                               | Certificate course in Campus recruitment training  | 30 Hours | 50                  | 10,000/-          |
| 2.   | Chemistry                         | Instrumental Methods of Analysis   | 39 Hours | 60                  | 12000/-           |
| 3.   | Mathematics                       | Certificate course in Quantitative Aptitude  | 45 Hours | 59                  | 5900/-            |
| 4.   | Electronics                       | Electronics Equipment  | 59 Hours | 40                  | 4000/-            |
| 5.   | Department of Cosmetic Technology | Certificate course in 'Beautification'   | 58 Hours | 40                  | 12,000/-          |
| 6.   | Botany                            | Nursery Techniques with Special Refrence to Floriculture                                     | 60 Hours | 64                  | 17,000/-          |
| 7.   | Biotechnology                     | Biofertilizer formulation from agricultural waste and crop improvement through Biotechnology | 58 Hours | 90                  | 45,000/-          |
| 8.   | Microbiology                      | Cookery and food preservation  | 60 Hours | 50                  | 10,000/-          |
| 9.   | Computer Science                  | Web Content development and Android Programming  | 30hours  | 90                  | 18000/-           |
| 10.  | Environmental Science             | Agricultural Waste Management  | 58 Hours | 50                  | 15000/-           |
| 11.  | Physics                           | Domestic Appliances  | 30 Hours | 28                  | 5,600/-           |
| 12.  | Biochemistry                      | Certificate Course in Medical Laboratory Techniques  | 60 Hours | 60                  | 18000/-           |
| 13.  | Commerce                          | Practical Application of GST   | 41 Hours | 290                 | 29,000/-          |
| 14.  | B. Voc. (Consumer Electronics)    | Electronics Equipment  | 59 hours | 40                  | 4000/-            |
| 15.  | Library                           | Digital Library  | 30 Hours | 11                  | 1100/-            |
| 16.  | English                           | Certificate Course in English Grammar  | 30 Hours | 100                 | 10,000/-          |
|      |                                   |  | Total=   | 1122                | 2,16,600/-        |

# Session 2021-22

Following are details of various Skill based certificate courses conducted by different Departments during academic year 2021-22

| S.N. | Name of Department           | Title of Certificate Course   | Duration | No. of participants | Expenditure (Rs.) |
|------|------------------------------|---|----------|---------------------|-------------------|
| 1.   | MBA                          | Certificate course in Campus recruitment training   | 30 Hours | 48                  | 7000/-            |
| 2.   | Chemistry                    | Certificate course on General Methodology   | 30 Hours | 76                  | 12,950/-          |
| 3.   | Mathematics                  | Certificate course in Quantitative Aptitude   | 45 Hours | 48                  | 4800/-            |
| 4.   | Electronics                  | Certificate course on electronics equipment   | 59 Hours | 40                  | 1400/-            |
| 5.   | Cosmetic Technology          | Certificate Course in “Beautification”  | 58 Hours | 40                  | 12000/-           |
| 6.   | Botany                       | Certificate course in Nursery Techniques with special reference to floriculture                                       | 60 hours | 67                  | 13400/-           |
| 7.   | Biotechnology                | Certificate Course on “Bio fertilizer formulation from agricultural waste and crop improvement through Biotechnology” | 30 Hours | 95                  | 28500/-           |
| 8.   | Microbiology                 | Cookery and food preservation   | 60 Hours | 70                  | 14000/-           |
| 9.   | Computer Science             | Certificate course in Information Technology, Web content development and Android programming                         | 45 Hours | 70                  | 14000/-           |
| 10.  | Sociology                    | Certificate course on Gender sensitization  | 30 Hours | 79                  | 3950/-            |
| 11.  | Marathi                      | Certificate course on Anchoring   | 30 Hours | 110                 | 5000/-            |
| 12.  | Environmental Science        | Agricultural Waste Management   | 58 Hours | 46                  | 13,800/-          |
| 13.  | Music                        | Certificate course on Piano music   | 30 Hours | 37                  | 3000/-            |
| 14.  | Physics                      | Maintenance of Domestic Appliances and Motor Winding  | 30 Hours | 49                  | 10000/-           |
| 15.  | Biochemistry                 | Certificate course in Medical Technology  | 30 Hours | 75                  | 22500/-           |
| 16.  | English                      | Certificate course on Spoken English and Personality Development  | 30 Hours | 91                  | 4550/-            |
| 17.  | B. Voc. Consumer Electronics | Certificate course on Electronics Equipment   | 59 Hours | 40                  | 1400/-            |
|      |                              |   |          | 1081                | 1,72,250/-        |

# Session 2020-21

Following are details of various Skill based certificate courses conducted by different Departments during academic year 2020-21

| S.N. | Name of Department          | Title of Certificate Course   | Duration | No. of participants | Expenditure (Rs) |
|------|-----------------------------|---|----------|---------------------|------------------|
| 1.   | MBA                         | Certificate course on share market and investment management.   | 30 Hours | 50                  | 5000/-           |
| 2.   | Chemistry                   | Synthesis and Applications of Advanced Polymer  | 30 Hours | 56                  | 20,000/-         |
| 3.   | Biotechnology               | Certificate Course on “Bio fertilizer formulation from agricultural waste and crop improvement through Biotechnology” | 58 Hours | 146                 | 35,000/-         |
| 4.   | Cosmetic Technology         | Certificate Course in “Beautification”  | 30 Hours | 53                  | 15900/-          |
| 5.   | Botany                      | Online certificate course in nursery techniques with special reference to floriculture                                | 45 Hours | 66                  | 7000/-           |
| 6.   | Electronics                 | Embedded system basics & 8051 microcontroller interfacing   | 45 Hours | 73                  | 7300/-           |
| 7.   | Microbiology                | Cookery and food preservation   | 60 Hours | 68                  | 13600/-          |
| 8.   | Environmental Science       | Agricultural Waste Management   | 58 Hours | 51                  | 15,300/-         |
| 9.   | Biochemistry                | Certificate course in Medical Laboratory Technology   | 30 Hours | 33                  | 16500/-          |
| 10.  | Physics                     | Maintenance of Domestic Appliances and Motor Winding  | 30 Hours | 43                  | 8,600/-          |
| 11.  | B.Voc. Consumer Electronics | National Skill Qualification Framework Level-4  | 30 Hours | 24                  | 25,000/-         |
|      |                             |   | Total=   | 663                 | 169200/-         |

# Session 2019-20

Following are details of various Skill based certificate courses conducted by different Departments during academic year 2019-20

| S.N. | Departments              | Name of Topic  | Duration | No. of participants | Expenditure (Rs) |
|------|--------------------------|--|----------|---------------------|------------------|
| 1.   | Mathematics              | Quantitative Aptitude  | 45 Hours | 52                  | 3600/-           |
| 2.   | Electronics              | Embedded System Basics and 8051<br>Microcontroller Interface                                       | 45 Hours | 18                  | 3600/-           |
| 3.   | Cosmetic<br>Technology   | Beautification   | 30 Hours | 27                  | 8100/-           |
| 4.   | Botany                   | Nursery techniques with special reference<br>to Floriculture                                       | 40 Hours | 60                  | 12000/-          |
| 5.   | Biotechnology            | Biofertilizer formulation from agricultural<br>waste and crop improvement through<br>Biotechnology | 30 Hours | 38                  | 38000/-          |
| 6.   | Microbiology             | Cookery and food preservation  | 60 Hours | 42                  | 15000/-          |
| 7.   | Environmental<br>Science | Agricultural Waste Management  | 30 Hours | 72                  | 21300/-          |
| 8.   | Music                    | Certificate course on 'Garba'  | 30 Hours | 58                  | 4350/-           |
| 9.   | Physics                  | Domestic Appliances  | 30 Hours | 60                  | 12000/-          |
| 10.  | Biochemistry             | Medical Laboratory Technology  | 26 Hours | 74                  | 37000/-          |
| 11.  | English &<br>Marathi     | Certificate Course on Soft Skills  | 30 Hours | 62                  | 5978/-           |
| 12.  | Zoology                  | Vermicomposting and vemitechnology   | 30 Hours | 37                  | 11700/-          |
|      |                          |  | Total=   | 600                 | 1,72,628/-       |

Thank You !
