Academic year: 2020-21
Activity: Career Counselling
Participants count: 718
Date of activity: 12/12/2020
Place: Kamla Nehru Mahavidyalaya, Nagpur
Objective: To improve employability among the students

Getting proper guidance from trained career counsellors can help us set long-term career goals, and also find the pathway to achieve them. Many students are determined to achieve academic excellence, and there's a lot of pressure on those who are pursuing a degree to perform well so that they can lock down a good job after college. Whether that pressure comes from parents, internalized beliefs, peers, or professors, it can make the transition to post-grad life challenging. Students asked their queries and it is solved by faculty members
