Activity: Tree plantation programme at Swaminarayan Temple, Wathoda

Participants Count: 54

Date of activity: 29-08-2022

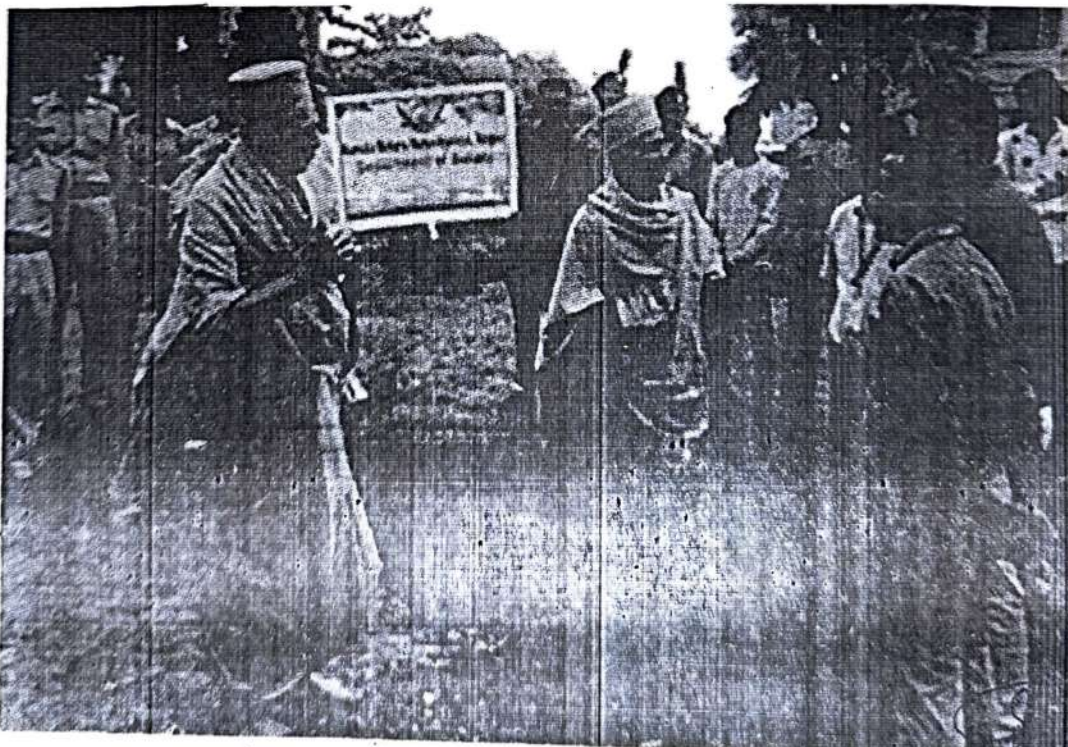

Place: Swaminarayan Temple, Wathoda, Nagpur.

Objectives:

1. To enhance the green cover of Swaminarayan temple and surrounding area.
2. To raise awareness among people about the importance of tree planting for the environment and the nation as a whole.

Activity details:

On August 29, 2022, NCC cadets and students from the Botany Department of Kamla Nehru Mahavidyalaya came together for a tree plantation program at the serene Swaminarayan Temple. This collaborative effort aimed to promote environmental consciousness and contribute to a greener future. Nearly 80 plants were planted by enthusiastic cadets and students, each taking responsibility to inspire others to join the cause. Their collective effort demonstrated a commitment to safeguarding our ecosystem and preserving natural resources. 54 NCC cadets and 100 students took active part in the activity. Dr. Dilip Badwaik, Principal, Kamla Nehru Mahavidyalaya, motivated students to actively participate in this event and provided all the necessary support. Teaching staff of Botany department including Dr. Vaishali Charjan, HOD, Botany Department, and ANO Capt. Pravin Sontakke collectively coordinated the programme.

2022-2023

Department of Botany in association with NCC from Kamla Nehru Mahavidyalaya organized one day tree plantation program at The Swaminarayan School premises on **29/08/2022**.

Objective:

With a view to making our planet greener plantation program was conducted in The Swaminarayan School, Wardhaman Nagar, Nagpur. The objective of the program was to make students aware of and involve in the plantation program. There was a need to increase the greenery on the school premises, so plants like Araucaria, Thuja, Delonix, Ficus, Pongamia, etc were planted. Total 10 numbers of plants were planted.

Observation/Nature of Activity:

- 1) Mr. Vaillesh Unnarkar (Administrator) and Mr. Vishal Sawant (Academic Head) of the school were present on the occasion.
- 2) Staff members from the Department of Botany and the Department of NCC were present in the plantation program.
- 3) Students of the school and our college actively participated in the program.
- 4) 10 numbers of plants were planted in the school premises.

Outcomes:

- 1) The space left on the school premises was utilized for the plantation program.
- 2) This helped to maintain the greenery of the school premises.
- 3) Plantation program brought awareness among students about the importance of trees in the environment.
- 4) Students also got information on how this type of program will help maintain and upgrade greenery.

Number of beneficiaries:

Total number of 14 students of The Swaminarayan along with 14 students of Department of Botany and 24 students of Department of NCC got benefitted from this plantation program.

Rajiv Gandhi Biotechnology Center
2022-23

Department of Botany and Department of Environmental Science from Kamla Nehru Mahavidyalaya, Nagpur has jointly organised plantation programme at Rajiv Gandhi Biotechnology Center, Ram Nagar, Nagpur on 02/07/2022.

Objective:

As a social cause is a need of society, tree plantation was conducted with an aim to control global warming, make environment pollution free and spread awareness on the importance of keeping a clean environment. The main aim was to direct student's mind in constructive activities with the positive outcome through facilitation of contributing to the society.

Observation/ Nature of Activity:

Department of Botany and Department of Environmental Science from Kamla Nehru Mahavidyalaya, Nagpur has jointly organised tree plantation programme as a cause of social need at Rajiv Gandhi Biotechnology Center. The plantation programme was inaugurated by Dr. Arti Shaniware, Director, Rajiv Gandhi Biotechnology Center, by planting a sapling of Neem (*Azadirachta indica*). Faculty and students of Department of Botany and Department of Environmental Science from Kamla Nehru Mahavidyalaya, Nagpur has actively participated in this plantation program.

The students also brought various saplings of Neem (*Azadirachta indica*), Ashoka (*Saraca asoca*), Sataparni (*Alstonia sps.*) and Gulmohar (*Delonix regia*). All the saplings were planted in the premises of Rajiv Gandhi Biotechnology Center, Nagpur by the students. The students also took an oath to look after the planted saplings, plant more and more trees and encourage others to do the same.

Outcomes:

1. Such little steps taken together by the school and college students helped in fostering strong mental and social health among today's children so that they got connected with their environment.
2. Planting tree help to recharge ground water supply.
3. Trees keep in check the air and water pollution.
4. Plantation program fills up the space in premises and increases the greenery.
5. Students got aware about how to work together and joyfully also.
6. Students also got aware about how to keep environment clean and safe.

Number of Beneficiaries: Total 25 students (from Department of Botany and Department of Environmental Science, Kamla Nehru Mahavidyalaya) got opportunity to learn and gain the knowledge from this plantation programme.

Earthen Pot Distribution

Objectives:

- To create awareness about conservation of birds and its diversity.
- Earthen pots are sustainable as the material decomposes back to nature without polluting the environment.

Actual Program-

Department of Zoology had organised social activity "earthen pot distribution" in which HOD of the department Dr. D. R. Saxena, and faculty members Ms. Firdos Karim, Leena Kharwade and Dr. Vandana Patil and the students of BSc. I and V (Zoology) had actively participated and distributed earthen pots in 'Somewari quarters, sakkardara, Nagpur area' on 25 of Feb 2023. Student explain the local people for benefits of earthen pots and help them to locate water added pots on top of the roof.

Outcomes of event:

- Students actively participated in this activity and they distributed many earthen pots which is beneficial for Aves in all season.
- Students also aware about the importance of birds in pollination while providing sources of water in urban areas.

Beneficiaries: 44 students of B.Sc. Semester I and V
