Subject:- Granting permission to conduct the workshop on "Team Building".

Res. Sir,

As part of the curricular activity, I am writing to seek your permission to organize workshop on Team building under Intellectual Property Rights (IPR) for our students and faculty members. The MBA department will be hosting this workshop on dated Thursday 24/02/2022.

So, I Dr. Sunil Ikharkar, HoD. MBA department hereby request you, please grant permission to conduct workshop on team building.

Thank you for considering our request. We are confident that this talk will be a valuable addition to our academic activities and will significantly enhance our students' understanding of IPR.

Thanking You,

Dr. Sunil Ikharkar,

Participants Count : 72 Students, 6 Teachers.
Date of Activity : **24/02/2022**
Place : **Chanakya Hall, MBA building.**
Objective : **To share knowledge and resources, providing support and feedback, and working towards shared vision.**

The Department of Master of Business Administration has arranged a workshop on "Team building" on 24/02/2022 at 10.00am for MBA Ist year and IInd year students. By accomplishing group tasks, students learn to listen, trust, and support each other, while developing life skills such as communication and collaboration—skills that can't be learned from a textbook, interactive or not. Learning to get along with peers, for example, isn't something you can pick up through memorization.

Guiding group members through intentional games can help them improve their communication skills with each other, which will transfer to their work or club projects later. Many team-building activities incorporate such skills as active listening, questioning assumptions, giving clear directions, problem-solving or learning how to ask effective questions.

The activity was conducted by Dr. Shabina Sheikh, (Zone Trainer, JCI). Students have enjoyed a lot and participated enthusiastically. They learned about Leadership, creative thinking, decision making, coordination and team management. Total 72 students were benefited out of this activity. Total 06 teachers were also present for this workshop virtually.
