One Day International Conference on

STOCK MARKET: An Investment & Career Opportunity

Date: 14th May, 2021

OBJECTIVE OF THE CONFERENCE

International online Conference on Stock Market: An Investment & Career Opportunity aims to provide an ideal platform and opportunity to understand the concept of stock market in detail from investment and career development perspective. The goal of the conference is to get a detailed insight of the said topic from selected eminent industry personnel and academicians.

The current pandemic situation has left us to think about our savings, investments and future career prospects. The said conference shall be helping in identifying new avenues for investments as well as career opportunities in the field of stock market. It shall also help in enhancing the knowledge regarding topics like sustainable investment, capital markets and auditor's perspective on financial statement. This online conference consists of invited talks on the focal theme as well as in allied areas to promote research and education in the field of finance and business among the targeted students, research scholars and academicians.

OUTCOME OF THE CONFERENCE

The participants registering for the conference shall be able to broaden the vision with regards to stock market. The focus area of the conference is general in nature and the meet is expected to be a good platform for academicians and practitioners to exchange ideas and information on contemporary issues. This will be a great opportunity for knowledge seekers to understand and interact with the eminent guests.
